Waco, TX – June 8, 2009 – Beginning June 1st, high school students along the newly expanded 6 To Success bus route, including Marlin, Riesel, Chilton, and Golinda, are able to purchase summer youth bus passes for only \$60. Students in Robinson can purchase the passes for only \$30. Passes are valid for a three-month period from June 1–August 31, 2009. This is a significant savings off the \$70/month regular fare. The summer youth bus pass includes unlimited rides along the 6 To Success route and free transfers throughout the entire Waco Transit fixed route service.

The goal is to connect young people to summer employment, educational opportunities, and recreational activities. Summer is an excellent time for young people to learn important skills, enjoy social and recreational activities, and earn some extra money. The 6 to Success service offers these experiences by expanding the area that young people can explore. Youth can enjoy the benefits of public transportation, which is a simple and reliable option for those who don't or can't drive, don't want to drive, or would rather not pay the cost of gas.

Students and 2009 graduates of Marlin, Riesel, Chilton, Mart, Groesbeck, Rosebud-Lott, Chilton, and Robinson High Schools must present their high school identification card to purchase a summer pass. Summer youth bus passes will be available for purchase in the administration office at the Waco Transit Terminal located at 301 S. 8th Street, Waco, TX. For more information call (254) 750-1613 or visit www.6ToSuccess.com.
