

Low-cost public bus service now available to MCC students

McLennan Community College News

November 16, 2007

McLennan Community College has partnered with Workforce Solutions for Heart of Texas and Waco Transit to provide low-cost public transportation for students of Falls County and rural McLennan County. The "6 To Success" bus route runs along State Highway 6 from Marlin to Waco and will provide daily access to MCC and every other destination currently served by Waco Transit.

Once riders along the 6 To Success route reach the Waco Transit Station, they can ride anywhere Waco Transit goes or purchase a pass to ride Greyhound. The route offers six trips a day, six days a week, Monday through Saturday.

A 31-day pass may be purchased at the HEB in Marlin and the Waco Transit Station for \$70.00. Passes will also soon be available at the MCC Bookstore.

For more information, contact Waco Transit at 750-1613 or visit the 6 To Success Web site at www.6ToSuccess.com.
