## FOR IMMEDIATE RELEASE

### 6 To Success Hits 600

Waco, TX – February 29, 2008 – The count is in for February and ridership on the new bus line between Marlin and Waco, called 6 to Success, hit the 600 mark. Waco Transit and Workforce Solutions for the Heart of Texas are pleased with this number for the fourth month of service, but anticipate ridership exceeding 1,000 in the coming months.

To reach this goal, Waco Transit will offer a special transit day where Travel Training will take place on the route. This training, to be held at noon on March 8<sup>th</sup> at the Falls County Workforce Center in Marlin, will give potential and current riders the opportunity to learn the basics of how to ride a Waco Transit bus, when and where to get picked up or dropped off, and the many advantages of using public transportation to meet everyday needs.

Also, to make it more convenient for residents to ride, four new bus stops will be put in place during the month of March. These new bus stops in Marlin will formally be announced in the coming weeks, and will be publicized on the 6 To Success website ([www.6ToSuccess.com](http://www.6ToSuccess.com)).

In addition to the great success experienced during the month of February, Workforce Solutions is pleased to offer youth and other jobseekers the opportunity to take advantage of the 6 To Success service as a method of transportation to the YES! Expo to be held on March 26, 2008 at the Waco Convention Center. The YES! Expo is the region's premiere event for youth seeking Summer employment, job training, industry and career information, financial aid opportunities, and interviewing and resume writing workshops.
