## FOR IMMEDIATE RELEASE:

### 6 To Success Makes Riding the Bus Easy and Convenient

Waco, TX – August 4, 2009 – 6 To Success is dedicated to providing affordable and convenient public transportation that helps people reach education, employment, and recreation destinations. Many first time passengers have questions about bus schedules, how a flag stop works, and even how to purchase bus passes.

6 To Success is pleased to announce the release of three new tools that will help both new and repeat riders better understand and feel comfortable with the 6 To Success bus service. By using the Interactive Destination Guide at [www.6ToSuccess.com](http://www.6ToSuccess.com), you can enter your departure location and time and get results on when you will arrive at the Waco Transit Station. You will also be able to view all the available times for planning your return trip.

In addition to this new tool, there are several Trip Planning Guides that will give you transfer route schedules to reach MCC and TSTC, the McLennan County Workforce Solutions Center, and Richland Mall. Basic 6 To Success schedules are also now available in Spanish online.

The third new tool provides an overview of how the entire bus riding experience works. The new 6 To Success Travel Training video outlines how easy it is to use public transportation. This video training outlines steps such as how to purchase a bus ticket, how to identify a bus stop, and how to signal the driver to get on or off the bus. Learn more about these tools at [www.6ToSuccess.com](http://www.6ToSuccess.com).

#### *About 6 To Success:*

The 6 To Success bus route takes residents of Riesel, Marlin, Chilton, Golinda, and Robinson to the Waco Transit Station and Sanderson Farms. Passengers can purchase a day-pass as they board the bus and use the pass to transfer to any Waco Transit bus at no additional cost. This service runs six times a day, Monday through Friday with limited service on Saturdays.
